Remember Torrance High School, 1947-48!

THE YEAR prices kept going up and ladies skirts went down — down! Many years will come and go before we take the last bow and final curtain is lowered on our life, but the year 1947-48, the memorable last year spent at Torrance High School will always stand in our memory.

What an adventure! It started when we went to the High School to register in early summer; then the thrill of that first auditorium meeting on September 15th! The new teachers looked at us and we looked at them. It wasn't long before we were acquainted and we liked them and, believe it or not, they liked us!

Those night football games and the thrill of being in the "big time"! Dances, parties, club meetings and lots of things to do no matter what your taste.

Would you like to live again the school year 1947-48 and review the things we did? Turn the pages of this book and wander through the shady lanes of a winding road that brought us safely to a goal we set out to find on September 15, 1947.

I hope you, Rosemary and Dede, have a lot of fun this summer. Loads of luck to you. As Ever

DEDICATION

A SALUTE TO OUR CHIEF

In Recognition of his masterful accomplishment in converting the mere shell of a few school buildings into a smooth running educational institution, a task that required boundless enthusiasm, originality and many hours of tireless effort and the sacrifice of his leisure time; and likewise his outstanding success in building a fine school spirit and co-operation between the student body and the newly organized faculty.

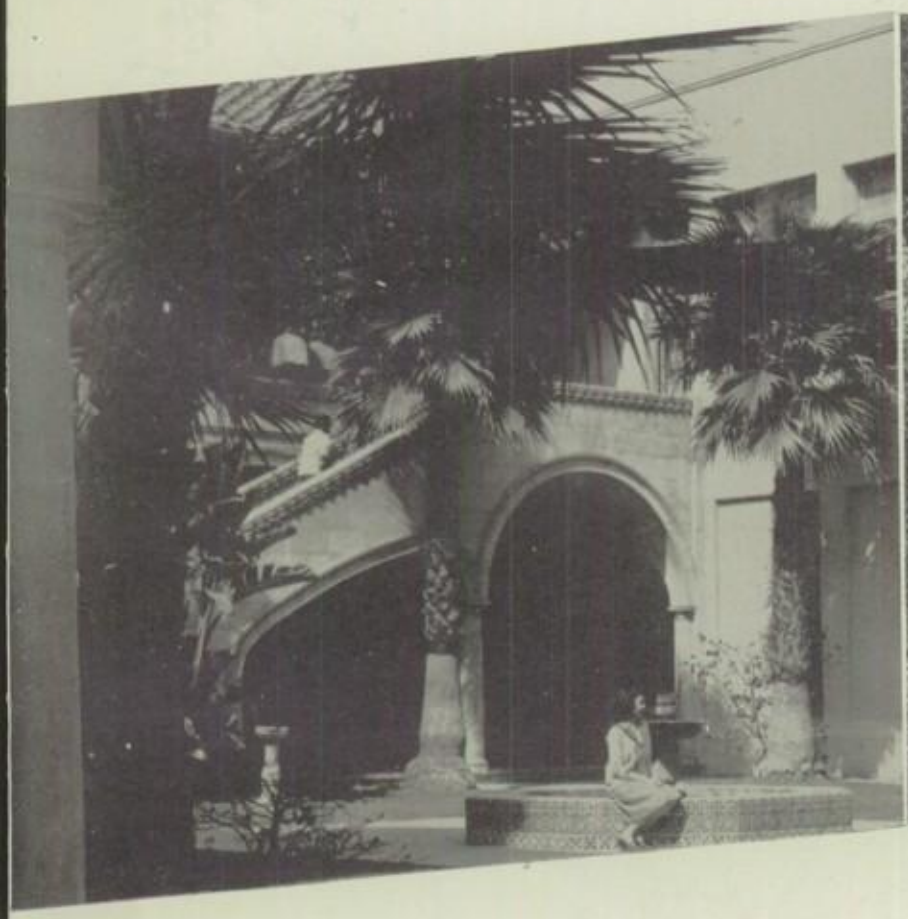
In Appreciation of his sympathetic interest in every student's problems and his great helpfulness in assisting the more unfortunate — a friendship as sincere and genuine as a real pal for a comrade in trouble; and most of all, for the enrichment he has given our lives through contact with his energetic and pleasing personality and genuine character — an example that will remain with us always as a guide to our future lives.

We, the Annual Staff, affectionately dedicate The Torch, and gratefully acknowledge his major part in making its issue possible, to our beloved Principal,

MR. LLOYD W. WALLER

A World

Within A World



In this world lived a race of people known as the Tartars. Here men, women, boys and girls lived five days each week for four long years. They played, they worked and planned for a future that would be happy and fruitful.

Dear Josy
Here's wishing
all the happiness
and success
to a sweet girl like
you

During the first semester, under Bill Morgan's leadership, the Student Council joined the C.I.F. League, the Bay League Forum, started the Saturday Night Canteen and sponsored other projects, such as the Christmas tree and the Charity Drives.

The second semester Council, under Jack Hood, revised the Student-Body Constitution, continued with the Bay League Forums, supported a demerit system, a non-cooperative list and the Student-Body Aud Calls — just to name a few of the many things accomplished. With the cooperation of Mr. Waller, Mr. Main and the faculty, the Council finished the year with flying colors.

They Make the Laws

TARTAR KNIGHTS

Under the able leadership of Mr. Main, the Tartar Knights perform many tasks about the school. It is their duty to remind students to obey the rules of the school. Although that sounds grim, the fellows have a lot of fun, too, and have been very active socially the past year. The Tartar Knights have also affiliated with the Key Club sponsored by the Torrance Kiwanis Club.

BOYS' LEAGUE

The Boys' League is a school organization for every boy in the school. Its function is to solve problems directly concerning the male population of the school. By assemblies, special events and Boys' Court, the boys have a chance to serve themselves and their school. Onal Harris was president, Paul Smith, was vice-president, and Don Bodner, secretary-treasurer. Mr. C. Graybehl was the sponsor.

Peace With a Kind Heart and Iron Hand

GIRLS' COURT

The Girls' Court is composed of five members. These include a judge, the president of G.A.A., Girls' League, Tartar Ladies and a secretary.

Any girl in school who has committed a violation of our rules is brought before the Court and trial for her particular offense is made. If the girl is found guilty, she is given a specified punishment to be carried out for a certain period of time.

The Court meets whenever it is necessary to try a violator. This isn't very often.

BOYS' COURT

No school can function properly without a governing force of some kind. The Boys' Court has done its share by prescribing discipline to the boys of the school. It isn't the object of the Court to dictate to the boys but merely teach them right from wrong.

Ending in fifth place in the league standings, this year's football squad under the splendid direction of Ed Cole proved to be one of the most outstanding pigskin aggregations ever to play for Torrance High School.

Stepping up from Marine League competition into the strong talent-packed Bay Circuit, the Tartars played all but one of their games at night using the "T" formation in which tricky deceptive plays were the nucleus of offensive attacks.

The season opened in a tie with a stubborn Covina team and came to a climax with a smashing triumph over highly-rated Fallbrook, champions of the Southern League, in the Turkey Bowl Game.

The outstanding line play of valuable Captain Jack Hood and tackle Gene Stirling earned them places on the All-Bay League second team. The hard playing of Gene Stirling brought him the award of being the most valuable player, while Al Stephenson received the Ray Richhart Cup for his fine sportsmanship.

Probably the most exciting game ever played at Torrance, the story-book ending of the Inglewood tussel in which the Tartars captured the battle with only four seconds remaining, will always be looked upon as the 1947 squads' most titanic triumph.

CAPTAIN JACK HOOD

Captain Jack Hood will be one of the most missed men on the Campus next year. This past year, not only did he play some good football but proved himself a fine inspirational lead. Coach Eddie Cole proclaimed him the finest football Captain he has ever had. Jack will continue his education at a Southern California Junior College where he will major in Physical Education. Good luck, Jack, to a fine leader and athlete.

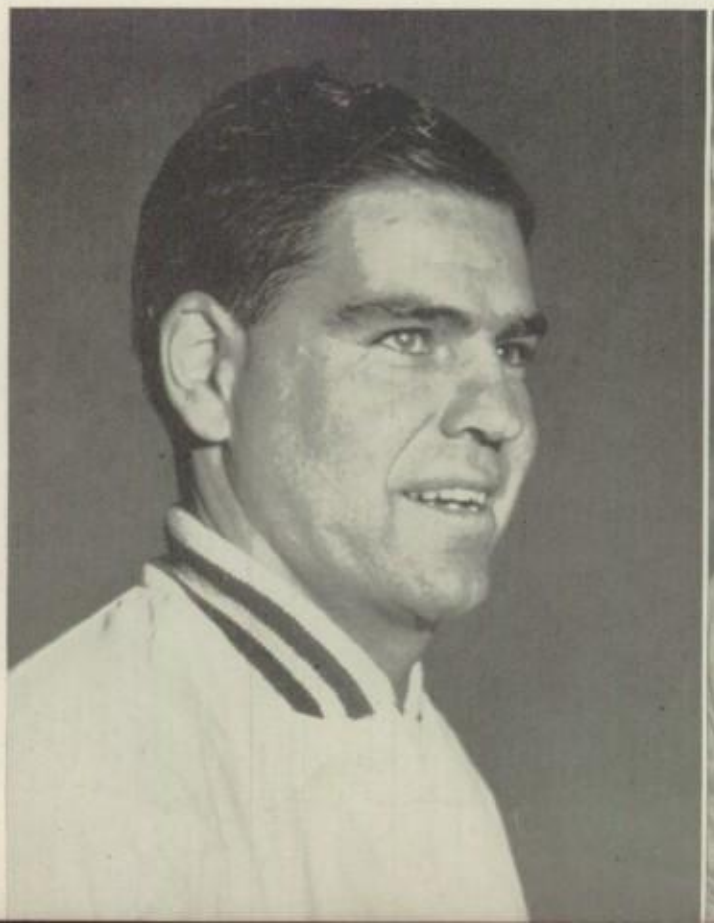
Words of Advice

COACH COLE

Dynamic Coach Eddie Cole, after a successful coaching career at Oceanside, J. C. and the Army Air Corps, took over the reigns of the Tartar Varsity Football and the Track Teams. Coach Cole has the true Tartar spirit and his name is synonymous with fighting and well coached teams. All his athletes are proud to have served under his guidance.

COACH CLIFF GRAYBEHL

Coach Cliff Graybehl joined the Torrance High School coaching staff this past year and has done a splendid job with his coaching duties. Coach Graybehl coached "B" football, Varsity and "B" basketball and Varsity and "B" baseball. One will always find Coach Graybehl in a gay mood and always eager to help any of the boys in school with their problems.



Second in Alphabet

"B" FOOTBALL

This year's "B" Football team was one of the best in the history of Torrance High School. The locale won three league games and lost four and was the only team in the league to upset the league champion, Inglewood.

The Graybehl coached men displayed outstanding ability in the tackling and blocking department. Running from a single wing formation, little Boyd Crawford, was the "B's" most valuable player. Captain Don Bodner, the defensive and offensive demon, was an exceptional leader. Ralph Standridge and Dave Dougherty were exceptional pass receivers.

Bob Snuffer, Dick Cloward (who was hurt early in the season), Chuck Ford and Phil Wall toted the ball behind Chuck Vorhis, strong blocking Jim Taylor, and Yovan Popovich. Charles Begue, Jack Stevens and dependable Ray Maddock were outstanding defensive players.

Lettermen were: Ends, D. Dougherty, J. Stevens, J. Dean, T. Ruppert; Tackles, Y. Popovich, J. Taylor, D. Croshaw, D. Ferguson; Guards, C. Begue, Captain D. Bodner, D. Bingham, G. McQuillan; Centers, R. Maddock, F. Paour; and Backs, P. Wall, C. Vorhis, R. Standridge, D. Baker, C. Ford, D. Cloward, B. Crawford, J. Swigart, B. Snuffer.

The season was climaxed with a banquet held at the High School Cafeteria at which the team presented Coach Graybehl with a silver tea service set. Ben Agagenian, the star place kicker for the Los Angeles Dons, was the guest speaker.

VARSITY BASKETBALL

The 1947-48 basketball season was one of the most successful in the school's history. Starting the season with only two returning lettermen, Captain Jack Turner and Paul Smith, and fighting group of ex-B's, the team became the dark horse in the league. In their home gym where the Tartars were especially tough, only Jordan and Samohi were able to beat the "hometowners" in the Torrance "shoe box." (Both were very close games.) The two most outstanding games played by the Graybehl coached Casaba-tossers were the Redondo and Beverly Hills games played at home. The Redondo game was hard fought but the outcome was hardly in doubt as Captain Jack Turner in his last game led the team to victory. Dick Turner sank a field goal in the last fifteen seconds to beat Beverly Hills in a thriller.

Captain Jack Turner was an outstanding leader and player. His great defensive play and steady "bucket-getting" earned him a first string all-Bay League guard, picked by the league coaches. Bob Chambers was leading scorer of the team as he played both center and forward.

"B" BASKETBALL

"B" Basketball season this year proved to be very exciting with the locals coming out with a five win and nine loss record. The team never failed to give the student-body and local fans more than their share of thrills. Coached by Cliff Graybehl the casaba tossers improved with every game. With most of the squad back next year, the basketball season should be one to look forward to. Outstanding men this season were Captain Bob LeBlanc, Vance Ratzlaff, Milo Goettsch, Dick Carroll, and Bill Wernet.

This year's "C" and "D" basketball teams under the excellent direction of Coach Huizing proved to be two of the most outstanding lightweight squads ever to perform at Torrance High School. The "C" team was led by "Whimpy" Chambers, who sank 44 points during the season, and ended the season by winning five contests while losing but three.

The "D" team got off to a slow start dropping four consecutive tussles earlier in the year but later caught on fire to capture their last four games.

The Varsity Baseball team had a mediocre season. Potentially one of the best teams Torrance ever had, it never quite came up to expectations. Harry Theodosis was considered one of the best chuckers in the Bay League. Captain Jerry McIlvaine's leadership and sometimes great pitching; Greg James and Vaughn Stokoe's hitting; Bob Chambers and Dick Turner's "Fancy Dan" fielding and potent hitting; and Buddy Licht's terrific arm highlighted the season.

VARSITY CLUB

The Torrance High School Varsity Club proved to be one of the most successful clubs on the Campus this past year. They not only participated in activities for their own enjoyment but contributed much in service to the school. Some of the activities they participated in were three parties at Coach Cole's home, a swimming party at Long Beach, sponsoring of the school football dance and queen contest, sponsoring the Spring Dance for the student-body, sponsoring the first annual Father-Son Night, a beach party and a hay ride.

The club was led the first semester by President Jack Turner, and the second semester by Al Stevenson. Both of these boys and their cabinets deserve a great deal of credit for the leadership they displayed this past year. Coach Eddie Cole is the club sponsor.

The G.A.A. was originally founded to further interest in athletics and the Torrance G.A.A. has gone over the top. The membership for this year is a record. Never before has the sports of G.A.A. had so many girls participating and learning to improve their game.

The G.A.A. has had a very successful year with the sports being bowling, volleyball, speedball, basketball and softball.

The girls had their usual banquets and spreads and also sponsored the "Sadie Hawkins Dance" and the "Barn Dance" along with the Varsity Club. A handicap basketball game was played between members of the G.A.A. and the Varsity Club.

The Torrance G.A.A. attended a number of playdays including an all day affair at Santa Monica. At this playday, the girls performed in drill teams.

JUNIOR HIGH SCHOOL FACULTY

Genial - jovial - cooperative - industrious - are words that only begin to describe the Junior High School faculty. Starting in a new situation, with no precedent, these fine, hard working teachers have made a memorable beginning for Torrance Junior High School. With the prime goal of educating children, of helping them to live a better life, these teachers have assisted in every way to meet the problems of a beginning school system. Such a glorious beginning bodes well for a brilliant future.

AND ALL THE OTHERS WHO HELPED TO TELL THE STORY OF LIFE AT TORRANCE HIGH SCHOOL, 1947-48

And so the winding road has brought us safely to the goal set on September 15th. Work, sweat, fun and disappointment has entered the story, but we are "Planning To Live In A Peaceful World," and, like all good stories end, "They live happily ever after."

NANCY WHYTE,
Editor.

At the Crossroads...

"You to the left and I to the right.
For the ways of men must sever —
And it well may be for a day and a night,
— And it well may be forever."
